

100 x 74 mm

This technical drawing shows a rectangle with dimensions 100 x 74 mm. The rectangle is outlined in magenta and is positioned in the upper-left quadrant of a grid. The grid is composed of solid green lines, with additional dashed green lines indicating the rectangle's alignment and dimensions. A horizontal dashed line extends from the left edge of the rectangle to the center of the grid, and a vertical dashed line extends from the top edge of the rectangle to the bottom edge of the grid. The text '100 x 74 mm' is centered within the rectangle in magenta.

100 x 95 mm

This technical drawing shows a rectangle with dimensions 100 x 95 mm. The rectangle is outlined in magenta and is positioned in the upper-right quadrant of a grid. The grid is composed of solid green lines, with additional dashed green lines indicating the rectangle's alignment and dimensions. A horizontal dashed line extends from the left edge of the rectangle to the center of the grid, and a vertical dashed line extends from the top edge of the rectangle to the bottom edge of the grid. The text '100 x 95 mm' is centered within the rectangle in magenta.
